

problems. These figures come from Dr. Tom Savings, who is a professor of economics at Texas A&M and also a trustee for both Social Security and Medicare. He has calculated that the total unfunded liabilities for the three programs of Medicare, Medicaid, and Social Security are now \$73.5 trillion.

That means to accommodate our promises we are going to have to come up with \$73 billion, put it in our savings account, and that is going to draw interest, at least to accommodate inflation, to keep the promises. There is no way we can do this. We are headed for a reality of the financial sky is falling on the United States Congress.

The issues of changing the programs have been demagogued so that Republicans can accuse Democrats when they suggest any change, and Democrats can accuse the Republicans of ruining Social Security and Medicare.

In conclusion, let me briefly run down through the unfunded liabilities of the different parts. Medicare part A, which is mostly the hospitals, is a \$21.8 trillion unfunded liability, the amount you would have to put in an account today. Medicare part B, \$23 trillion. That is mostly doctors. Medicare part D, the new prescription drug program, adds to the unfunded liability \$16.6 trillion. Social Security is running at about \$12 trillion.

We have got to deal with these problems. Maybe next year, after the election, whichever President is elected, we will have the guts, we will have the intestinal fortitude to move ahead in trying to solve and make changes to these programs so that we can continue what we have promised the American people. They are important programs. There is going to be dramatic changes. The longer we wait, the more drastic the changes will have to be. That was the conclusion of the bipartisan task force on Social Security that I chaired.

The challenge is great for this body, the Senate, and the White House; and I ask, Mr. Speaker, that the electorate of this Nation ask those candidates running for office, for the Congress, for the Senate, for the Presidency what they are going to do about these huge problems facing our kids and our grandkids.

JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate bill (H.R. 4850), making appropriations for the District of Columbia for the fiscal year ending September 30, 2005, and for other purposes, submit the following joint statement to the House and Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report.

The conference agreement on H.R. 4850 incorporates some of the provisions of both the House and the Senate versions of the bill. Report language and allocations set forth in either House Report 108-610 or Senate Report 108-354 that are not changed by the conference are approved by the committee of conference. The statement of the managers, while repeating some report language for emphasis, does not negate the language referenced above unless expressly provided herein.

The District of Columbia Appropriations Act, 2005, put in place by this bill, incorporates the following agreements of the managers:

TITLE I—FEDERAL FUNDS

FEDERAL PAYMENT FOR RESIDENT TUITION SUPPORT

The conference agreement provides \$25,600,000 for a Federal payment for resident tuition support as proposed by the House instead of \$21,200,000 as proposed by the Senate. Further, the conferees limit administrative expenses to no more than \$1,200,000 in fiscal year 2005. The conferees urge the District to work with the legislative committees of jurisdiction and the Committees on Appropriations to reauthorize this important program and to explore options for enhancing the effectiveness of these tuition assistance grants, including additional non-Federal sources.

FEDERAL PAYMENT FOR EMERGENCY PLANNING AND SECURITY COSTS IN THE DISTRICT OF COLUMBIA

The conference agreement provides \$15,000,000 for a Federal payment for emergency planning and security costs in the District of Columbia as proposed by the House and Senate.

FEDERAL PAYMENT TO THE DISTRICT OF COLUMBIA COURTS

The conference agreement provides \$190,800,000 for a Federal payment to the District of Columbia Courts, instead of \$202,110,000 as proposed by the House and \$195,010,000 as proposed by the Senate. Included in this amount is \$8,952,000 for the Court of Appeals, \$84,948,000 for the Superior Court, \$40,699,000 for the Court System, and \$56,201,000 for capital improvements.

The conferees have provided sufficient funds for the Old Courthouse project to meet the expenditure requirements in fiscal year 2005. The conferees are supportive of the Old Courthouse project and the much needed Judiciary Square renovation, and are committed to providing the needed resources for the Old Courthouse project within the context of the fiscal year 2006 appropriations process.

The conferees agree with the financial reporting requirements proposed in Senate Report 108-354; however, the conferees direct that these reports be prepared and submitted to the Committees on Appropriations of the House of Representatives and Senate on a quarterly basis.

DEFENDER SERVICES IN DISTRICT OF COLUMBIA COURTS

The conference agreement provides \$38,500,000 for Defender Services in the District of Columbia Courts instead of \$41,500,000 as proposed by the House and \$34,500,000 as proposed by the Senate.

FEDERAL PAYMENT TO THE COURT SERVICES AND OFFENDER SUPERVISION AGENCY FOR THE DISTRICT OF COLUMBIA

The conference agreement provides \$180,000,000 for a Federal payment to the Court Services and Offender Supervision Agency for the District of Columbia, instead of \$183,490,000 as proposed by the House and \$182,490,000 as proposed by the Senate.

The conferees direct that \$1,100,000 included in the above amount is to continue to reduce supervision caseload ratios for sex-offenders, mental health, and domestic violence cases, and \$200,000 to expand the global positioning system electronic monitoring program.

The conferees note that many individuals leave prison and enter community supervision each year with histories of long-term substance abuse and prior supervision failure due to substance abuse relapse. It is estimated that 35 percent of the 2,200 individuals returning to the District of Columbia from federal prison each year are chronic substance abusers. These offenders are at a higher risk for quick substance abuse relapse and subsequent rearrest.

Based on these facts, the conferees support CSOSA's collaborative efforts with the D.C. government, the U.S. Parole Commission, the Office of Justice Programs and the Bureau of Prisons to initiate a 32-bed Pre-Release Transition Program. This six- to twelve-month residential treatment program will be located at the District of Columbia's Correctional Treatment Facility. It will serve both individuals transitioning out of prison and parole violators who will be remanded to this program rather than returned to a Federal facility. The conferees urge CSOSA to continue to participate in this important program that will complement CSOSA's existing re-entry and

treatment programs by offering a meaningful alternative to parole revocation for the habitual substance abuser who has violated his or her parole, as well as enhancing the potential for success among those entering community supervision.

FEDERAL PAYMENT TO THE DISTRICT OF COLUMBIA WATER AND SEWER AUTHORITY

The conference agreement provides \$4,800,000 for a Federal payment to the District of Columbia Water and Sewer Authority instead of \$10,000,000 as proposed by the House and Senate. These funds are for the continued implementation of the Combined Sewer Overflow Long-Term Plan.

FEDERAL PAYMENT FOR THE ANACOSTIA WATERFRONT INITIATIVE

The conference agreement provides \$3,000,000 for a Federal payment to the District of Columbia Department of Transportation for design and construction of a continuous pedestrian and bicycle trail system from the Potomac River to the District's border with Maryland as proposed by the House and Senate.

FEDERAL PAYMENT TO THE CRIMINAL JUSTICE COORDINATING COUNCIL

The conference agreement provides \$1,300,000 for a Federal payment to the Criminal Justice Coordinating Council as proposed by the House and Senate. The amount is to remain available until expended as proposed by the Senate.

FEDERAL PAYMENT FOR THE UNIFIED COMMUNICATIONS CENTER

The conference agreement provides \$6,000,000 for a Federal payment to the District of Columbia for the Unified Communications Center instead of \$7,000,000 as proposed by the Senate and no funds as proposed by the House. The House had included funding for the Unified Communications Center in this Act under the heading Federal Payment for Capital Development in the District of Columbia.

FEDERAL PAYMENT FOR CAPITAL DEVELOPMENT IN THE DISTRICT OF COLUMBIA

The conference agreement provides no funding for capital development as proposed by the Senate instead of \$7,000,000 as proposed by the House. The conferees have provided \$6,000,000 for the Unified Communications Center under the heading Federal Payment for the Unified Communications Center.

FEDERAL PAYMENT FOR TRANSPORTATION ASSISTANCE

There was no objection.

PANDORA'S BOX

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Washington (Mr. McDERMOTT) is recognized for 5 minutes.

Mr. McDERMOTT. Mr. Speaker, the Republican ploy is not going to work. Finally, it is out in the open. H.R. 163, which the administration denied for 18 months, that is the national service bill, is not going to go away because the Republicans will it. They opened Pandora's box with this needless door, and they cannot close it, no matter how hard they try.

Finally, the American people are going to get the truth. H.R. 163 is out in the open. The administration denied the existence of the possibility of a draft since the day we proposed it. They refused to face the issue of who would fight and die in the President's war. They ordered the Republican majority to bury 163 alive; refer it to the Department of Defense where it would be placed in solitary confinement forever; lose it in the system, just like they lose human beings in the system in Iraq. But they did not count on the kids, our sons and daughters or nieces and nephews our godchildren and grandchildren. The Republicans did not count on the kids. It started on the Internet blogs. Go look for yourself. We raise smart kids, America. They were the first to see through the administration's rhetoric.

The administration claims we have enough soldiers in Iraq, but they stop-loss soldiers who have survived a year on duty in Iraq, and this administration orders them to stay and fight some more. They claim we have enough soldiers in Iraq, but we call up the ready reserves and order them out to Iraq. They claim they have enough soldiers in Iraq, but they got rid of the general, they retired him, who said it would take 300,000 troops in Iraq.

They get the names and addresses of our high school kids through the PATRIOT Act and send the recruiters on a mission. Yes, America, the PATRIOT Act helps them locate your children. One parent in Seattle called it "outrageous" and "disgraceful." How right he was. The PATRIOT Act. You know, the bill the administration claims it needs to catch the terrorists; but it nets the government the names, addresses, and telephone numbers of your sons and daughters, every single one of them. They not only know where you live, they are coming to have a talk with your kid.

They say they do not need a draft. They sure do not act that way. And
